

MEMORANDUM FOR: Legislative Counsel

SUBJECT: S.7, A Bill to Permit Payment of Certain  
Cost-of-Living Allowances Outside the  
Continental United States at Rates in  
Excess of 25 Per Centum of the Rate of  
Basic Compensation

1. The Bill named above, which you referred to this office for comment as to whether it is of interest to Agency activities, has been reviewed. If enacted, this bill would eliminate the present 25% statutory limitations on territorial cost-of-living allowances in warranted cases.

2. We believe that enactment of this amendment is desirable from a personnel point of view and recommend that the Agency support the bill.
